**Permanent Representative of the Republic of the Union of Myanmar to the United Nations  
at the High-Level Conference of the CERF**

**New York, 17 December 2014**

Madam Chair,

My delegation attaches great importance to the work of the Central Emergency Response Fund (CERF) in providing humanitarian assistance to respond to the needs of the emergency situations.

The CERF has proven to be an efficient module of the United Nations by enabling life-saving and immediate help for millions of people in some 88 countries with 3.2 billion dollars in aid. We therefore appreciate the pivotal role played by CERF in providing urgent humanitarian relief assistance to the most vulnerable people the world over.

We are pleased to note that during this year, CERF has funded US\$ 5.5 million through various UN agencies projects especially to provide humanitarian assistance to the affected populations in Myanmar.

Madam Chair,

As one of the major recipients from CERF, Myanmar reiterates its full support to the work of the CERF. Myanmar has regularly contributed to CERF since 2009 as a demonstration of our confidence in the UN humanitarian support system as well as a token of appreciation for the dedicated work of OCHA. Therefore, I am very pleased to announce that Myanmar will continue to contribute US\$ 10,000 for the year 2015.

I thank you, Madam Chair.
