

DONOR PROFILES

FTS has two convenient quick searches that provide summarized information about donors in a couple of clicks. This information can be useful when preparing for meetings with donors or to look for funding trends and details for particular donors. The two searches are:

1) Funding Details per Donor

2) Quick Search by Donor and Destination Country

FTS Financial Tracking Service
Tracking Global Humanitarian Aid Flows

Donor Country Profile, by year

Donor country:

Year:

Australia in 2011: breakdown per emergency  

Australia in 2011: breakdown per sector  

Australia in 2011: breakdown by appealing agency  

Features

- Funding Status of All Appeals
- Appeals & Funding per Country
- Global Overview Tables
- Custom Search
- Report a Contribution
- Appeal Documents
- Funding Details per Donor**
- Quick search by Donor and Destination Country**
- Natural Disasters
- Funding trends

2. Quick search by Destination and Donor Country

This search allows you to choose a particular donor and destination country and it will give you results for the current year and past year. The results are displayed in Excel format. (Click on "appealing agency" in the blue column heading to sort the recipients alphabetically). Make sure to scroll over for full details. The information can be downloaded in Excel by clicking on "Export to XLS (Print)" in the salmon-colored box.

Quick Search

This simple search will show all contributions by the donor and/or to the destination country that you select, for the current and previous years.

Select one or more of the options below:

Donor:

Destination Country:
