

VIDEO TUTORIALS

FTS YouTube Channel

We just developed our first video tutorials for FTS and are working on some sequels (in English and French) to explain some of the more advanced features of the site. You may find it useful to share with your colleagues and partners.

Please check out our YouTube channel: <http://www.youtube.com/user/OCHAFTS?feature=mhee>

Feel free to tell us if you have any suggestions for future videos or FTS tips!
Please contact us for additional information: fts@un.org
