The Donor authorizes the Administrative Agent to use the Contribution for the purposes of the Fund and in accordance with this Standard Administrative Arrangement (hereinafter referred to as “Arrangement”). The Donor acknowledges that the Contribution will be co-mingled with other contributions to the Fund Account and that it will not be separately identified or administered.

2. The Donor will deposit the Contribution by wire transfer, in accordance with the schedule of payments set out in ANNEX B to this Arrangement, in convertible currencies of unrestricted use, to the following account:

9. The Administrative Agent will be entitled to charge to the Fund Account a direct cost charge in an amount(s) consistent with then-current UNDG guidance to cover the cost of continuing to render Administrative Agent functions if and when the Humanitarian Coordinator agrees to extend the Fund beyond one year following the last allocation cycle of the Fund with no further contribution(s) to the Fund.

2. Each Participating UN Organization will establish a separate ledger account under its financial regulations and rules for the receipt and administration of the funds disbursed to it from the Fund Account. Each Participating UN Organization assumes full programmatic and financial accountability for the funds disbursed to them by the Administrative Agent. That separate ledger account will be administered by each Participating UN Organization in accordance with its own regulations, rules, policies and procedures, including those relating to interest.

3. Where the balance in the Fund Account on the date of a scheduled disbursement is insufficient to make that disbursement, the Administrative Agent will consult with the Humanitarian Coordinator and make a disbursement, if any, in accordance with the Humanitarian Coordinator’s instructions.

4. The Donor reserves the right to discontinue future deposits of its Contribution further to Annex B if there is: (i) failure to fulfil any obligations under this Arrangement; (ii) if there are substantial revisions of the Manual; or (iii) if there are credible allegations of improper use of the funds in accordance with Section VIII of this Arrangement; provided however that before doing so, the Administrative Agent, the Humanitarian Coordinator and the Donor will consult with a view to promptly resolving the matter.

Section III

3. Indirect costs of the Participating UN Organizations recovered through programme support costs will be maximum seven percent (7%). All other costs incurred by each Participating UN Organization in carrying out the activities for which it is responsible under the Fund will be recovered as direct costs.

4. The Participating UN Organizations will commence and continue to conduct operations for the Fund activities only upon receipt of disbursements as instructed by the Humanitarian Coordinator.

5. The Participating UN Organizations will not make any commitments above the budgeted amounts in the approved programmatic document.

6. If unforeseen expenditures arise, the Humanitarian Coordinator will submit, through the Administrative Agent, a supplementary budget to the Donors showing the further financing that will be necessary. If no such further financing is available, the activities to be carried out under the approved programmatic document may be reduced or, if necessary, terminated by the Participating UN Organizations.

7. As an exceptional measure, particularly during the start-up phase of the Fund, subject to conformity with their financial regulations, rules and policies, Participating UN Organizations may elect to start implementation of Fund activities in advance of receipt of initial or subsequent transfers from the Fund Account by using their own resources. Such advance activities will be undertaken in agreement with the Humanitarian Coordinator on the basis of funds it has allocated or approved for implementation by the particular Participating UN Organization following receipt by the Administrative Agent of signed Administrative Arrangements from donors contributing to the Fund. Participating UN Organizations will be solely responsible for decisions to initiate such advance activities or other activities outside the parameters set forth above.

8. Each Participating UN Organization will establish appropriate programmatic safeguard measures in the design and implementation of its Fund activities, thereby promoting the shared values, norms and standards of the United Nations system. These measures may include, as applicable, the respect of international conventions on the environment, on children’s rights, and internationally agreed core labour standards.

Special Provisions regarding Financing of Terrorism

9. Consistent with UN Security Council Resolutions relating to terrorism, including UN Security Council Resolution 1373 (2001) and 1267 (1999) and related resolutions, the Participants are firmly committed to the international fight against terrorism, and in particular, against the financing of terrorism. Similarly, the Participants and the Participating UN Organizations recognize their obligation to comply with any applicable sanctions imposed by the UN Security Council. Each of the Participating UN Organizations will use all reasonable efforts to ensure that the funds transferred to it in accordance with the MoU are not used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime. If, during the term of this Arrangement, a Participating UN Organization determines there are credible allegations that funds transferred to it in accordance with this Arrangement have been used to provide support or assistance to individuals or entities associated with terrorism as designated by any UN Security Council sanctions regime, it will as soon as it becomes aware of it inform the Humanitarian Coordinator, the Administrative Agent and the Donor and, in consultation with the donors as appropriate, determine an appropriate response.

The financial reports will provide information on the use of financial resources against humanitarian clusters.

3. The Administrative Agent will provide the Donor, the Humanitarian Coordinator and Participating UN Organizations with the following reports on its activities as Administrative Agent:

In addition, the Humanitarian Coordinator in consultation with the Advisory Board and the Administrative Agent will discuss any substantive revisions to the Fund’s Manual, and promptly inform donors about any substantive revision of the Manual. The Humanitarian Coordinator and the Administrative Agent will promptly inform donors about any
significant circumstances and major risks, which interfere or threaten to interfere with the successful achievement of the objectives outlined in the Manual, financed in full or in part through the Contribution.

**Fund-level Evaluation**

2. Evaluation of the Fund including, as necessary and appropriate, joint evaluation by the Humanitarian Coordinator, in consultation with the Advisory Board, the Participating UN Organizations, the Administrative Agent, the Donor and other partners will be undertaken in accordance with the Manual.

3. The Humanitarian Coordinator, in consultation with the Advisory Board will recommend a joint evaluation if there is a need for a broad assessment of results at the level of the Fund or at the level of an outcome within the Fund. The joint evaluation report will be posted on the website of the South Sudan Humanitarian Fund (http://www.unocha.org/south-sudan) and the Administrative Agent (http://mptf.undp.org).

4. In addition, the Donor may, separately or jointly with other partners, take the initiative to evaluate or review its cooperation with OCHA, the Administrative Agent and the Participating UN Organizations under this Arrangement, with a view to determining whether results are being or have been achieved and whether contributions have been used for their intended purposes. OCHA, the Administrative Agent and the Participating UN Organizations will be informed about such initiatives, will be consulted on the scope and conduct of such evaluations or reviews and will be invited to join. Participating UN Organizations will upon request assist in providing relevant information within the limits of their regulations, rules, policies and procedures. All costs will be borne by the respective Donor, unless otherwise agreed. It is understood by the Participants that such evaluation or review will not constitute a financial, compliance or other audit of the Fund including any programmes, projects or activities funded under this Arrangement.

**Section VII Audit**

**External and Internal Audit**

1. The activities of the Administrative Agent and each Participating UN Organization in relation to the Fund will be exclusively audited by their respective internal and external auditors in accordance with their own financial regulations and rules. The corresponding external and internal audit reports will be disclosed publicly unless the relevant policies and procedures of the Administrative Agent or each Participating UN Organization provide otherwise.

**Joint Internal Audits**

2. The Internal Audit Services of the UN organizations involved in the Fund may consider conducting joint internal audits thereof in accordance with the Framework for Joint Internal Audits of UN Joint Activities, including the governance structure of the Fund, coordination and consolidation of the joint audit of the Fund, risk-based approach and provisions for disclosure of internal audit reports related to the Fund. In doing so, the Internal Audit Services of the Administrative Agent and the Participating UN Organizations will consult with the Humanitarian Coordinator.

**Audits of Implementing Partners**

3. The part of the Contribution transferred by a Participating UN Organization to its implementing partners for activities towards the implementation of the Fund will be audited as provided under that Participating UN Organization’s financial regulations and rules, as well as its policies and procedures. The disclosure of the corresponding audit reports will be made according to the policies and procedures of that Participating UN Organization.
Section VIII
Fraud, Corruption and Unethical Behaviour

1. The Participants are firmly committed to take all necessary precautions to avoid and address corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices. The Administrative Agent and the Participating UN Organizations recognize that it is important that all United Nations staff, individual contractors, implementing partners, vendors and any third parties which are involved either in joint activities or in those of the Administrative Agent or Participating UN Organization (such individuals and entities being hereinafter referred to, together as the “Individuals/Entities”, and individually as the “Individual/Entity”) must adhere to the highest standard of integrity as defined by each relevant UN organization. To this end, the Administrative Agent and each Participating UN Organization will maintain standards of conduct that govern the performance of the Individuals/Entities, to prohibit practices which are contrary to this highest standard in any activity related to the Fund/Programme. If an Individual/Entity is a UN organization, the Participating UN Organization engaging that Individual/Entity will rely upon that Individual’s/Entity’s standard of integrity. The Individuals/Entities must not engage in corrupt, fraudulent, collusive, coercive, unethical, or obstructive practices, as defined below.

2. In this Arrangement,
   (a) “Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another individual or entity;
   (b) “Fraudulent practice” means any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, an individual or an entity to obtain a financial or other benefit, or to avoid an obligation;
   (c) “Collusive practice” means an arrangement between two or more individuals and/or entities designed to achieve an improper purpose, including influencing improperly the actions of another individual or entity;
   (d) “Coercive practice” means impairing or harming, or threatening to impair or harm, directly or indirectly, any individual or entity or the property of the individual or entity to influence improperly the actions of an individual or entity;
   (e) “Unethical practice” means the conduct of behavior that is contrary to staff or supplier codes of conduct such as those relating to conflict of interest, gifts and hospitality, and post-employment provisions; and
   (f) “Obstructive practice” means acts or omissions intended to materially impede the exercise of contractual rights of audit, investigation and access to information, including destruction, falsification, alteration or concealment of evidence material to an investigation into allegations of fraud and corruption.

Investigations

3. (a) Investigations of allegations of wrongdoing by Individuals/Entities involved in the Fund which are contracted by the Administrative Agent or a Participating UN Organization will be carried in accordance with the internal policies and procedures of the UN organization with which the potential subject of investigation is contracted (Administrative Agent or Participating UN Organization).

(b) In the event that the Investigation Service of the Administrative Agent determines that an allegation in relation to the implementation of the activities carried out by the Administrative Agent is credible enough to warrant an investigation, the Administrative Agent will promptly notify the Humanitarian Coordinator to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.
In the event that a Participating UN Organization determines that an allegation in relation to the implementation of the activities for which that Participating UN Organization is accountable is credible enough to warrant an investigation, it will promptly notify the Humanitarian Coordinator and the Administrative Agent of the Fund, to the extent that such notification does not jeopardize the conduct of the investigation, including but not limited to the prospects of recovery of funds or the safety or security of persons or assets.

In the case of such notification, it is the responsibility of the Humanitarian Coordinator, OCHA, and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the Donor.

In case of a credible allegation, the relevant Participating UN Organization(s) will take timely and appropriate action in accordance with its regulations, rules, policies and procedures, which may include withholding further disbursements to the Individual(s)/Entity(ies) allegedly involved in the corrupt, fraudulent, collusive, coercive, unethical or obstructive practices as defined above.

The UN organization’s Investigation Service reviewing the credibility of an allegation or conducting the investigation will share information as appropriate with counterpart Investigation Services of the other UN organizations involved in the Fund (Administrative Agent or Participating UN Organization) to determine the best path towards resolution of the investigation and whether the alleged wrongdoing is limited to such UN organization or whether one or more other UN organizations involved in the Fund (Administrative Agent or one or more Participating UN Organizations) may also be affected. If the relevant Investigation Services determine that more than one UN organization could be affected by the alleged wrongdoing, they will follow the procedure described below in clause (ii).

Where a potential subject of an investigation is contracted by more than one UN organization involved in the Fund, the Investigation Services of the UN organizations concerned (Administrative Agent or Participating UN Organization) may consider conducting joint or coordinated investigations, determining which investigation framework to use.

Upon completion of the internal reporting on their investigation by the Participating UN Organization(s) concerned as established in their respective internal policies and procedures, the Participating UN Organization(s) will provide information on the results of their investigation(s) to the Administrative Agent and the Humanitarian Coordinator. In the case of the Administrative Agent, upon completion of its internal reporting, it will provide the information on the results of its investigation to the Humanitarian Coordinator. Following such receipt of information on the results of the investigation(s), it is the responsibility of the Humanitarian Coordinator, OCHA, and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the Donor.

Each UN organization(s) concerned (Administrative Agent or Participating UN Organization) will determine what disciplinary and/or administrative measures, including referral to national authorities, may be taken as a result of the investigation, according to its internal policies and procedures on disciplinary and/or administrative measures, including vendor sanction mechanism, as appropriate. The Participating UN Organization(s) concerned will share information on measures taken as a result of the investigation(s) with the Humanitarian Coordinator, OCHA and the Administrative Agent of the Fund. The Administrative Agent will share information on measures taken as a result of its own investigation with the Humanitarian Coordinator and OCHA. Following such receipt of information on measures taken as a result of the investigation(s), it is the responsibility of the Humanitarian Coordinator, OCHA and the Administrative Agent to communicate promptly with the relevant anti-fraud offices (or equivalent) of the Donor.
4. If there is evidence of improper use of funds as determined after an investigation, the UN organization(s) concerned (Administrative Agent or Participating UN Organization) will use their best efforts, consistent with their respective regulations, rules, policies and procedures to recover any funds misused. With respect to any funds recovered, the Participating UN Organization will consult with the Humanitarian Coordinator, OCHA, the Administrative Agent and the Donor. The Donor may request that such funds be returned to it in proportion to its Contribution to the Fund, in which case the Participating UN Organization would credit that portion of the funds so recovered to the Fund Account and the Administrative Agent would return that portion of such funds to the Donor in accordance with Section X, paragraph 6. For any such funds the Donor does not request to be returned to it, such funds will either be credited to the Fund Account or used by the Participating UN Organization for a purpose mutually agreed upon.

5. The Administrative Agent and the Participating UN Organizations will apply the provisions of Section VIII, paragraphs 1 to 4 above in accordance with their respective accountability and oversight framework as well as relevant regulations, rules, policies and procedures.

Section IX
Communication and Transparency

1. Subject to the regulations, rules, policies and procedures of the Participating UN Organization, information given to the press, to the beneficiaries of the Fund, all related publicity material, official notices, reports and publications, will highlight the results achieved and acknowledge the role of the Donor, the Humanitarian Coordinator, OCHA, the Participating UN Organizations, the Administrative Agent and any other relevant entities.

2. OCHA and the Administrative Agent in consultation with the Participating UN Organizations will ensure that decisions regarding the review and approval of the Fund as well as periodic reports on the progress of implementation of the Fund are posted, where appropriate, for public information on the websites of the South Sudan Humanitarian Fund (http://www.unocha.org/south-sudan) and the Administrative Agent (http://mptf.undp.org). Such reports and documents may include Humanitarian Coordinator approved programmes and programmes awaiting approval, fund level annual financial and progress reports and external evaluations, as appropriate.

3. The Donor, OCHA, the Administrative Agent and the Participating UN Organizations are committed to principles of transparency with regard to the implementation of the Fund, consistent with their respective regulations, rules, policies and procedures. The Donor, OCHA, the Administrative Agent and Participating UN Organizations, will endeavor to consult prior to publication or release of any information regarded as sensitive.

Section X
Expiration, Modification, Termination and Unspent Balances

1. The Administrative Agent will notify the Donor when it has received notice from all Participating UN Organizations that the activities for which they are responsible under the approved programmatic document have been completed and the Fund is operationally closed.

2. This Arrangement may be modified only by written agreement between the Participants.

3. This Arrangement may be terminated by either Participant on thirty (30) days written notice to the other Participant, subject to the continuance in force of paragraph 4 below for the purpose therein stated.

4. Notwithstanding the termination of this Arrangement, the amount of the Contribution transferred to the Administrative Agent up to and including the date of termination of this Arrangement will continue to be used to support the Fund until completion of the Fund, at which point, any remaining balances will be dealt with according to paragraph 5 below.
5. Any balance remaining in the Fund Account upon completion of the Fund will be used for a purpose mutually agreed upon or returned to the Donor in proportion to its contribution to the Fund as decided upon by the Donor and the Humanitarian Coordinator.

6. When returning funds to the Donor in accordance with paragraph 5 above or Section VIII, paragraph 4, the Administrative Agent will notify the Donor of the following: (a) the amount transferred, (b) the value date of the transfer, and (c) that the transfer is from the Administrative Agent in respect of the Fund in South Sudan (if applicable) pursuant to this Arrangement.
