VIRTUAL LAUNCH OF THE GLOBAL HUMANITARIAN OVERVIEW 2021

The United Nations Office for the Coordination of Humanitarian Affairs (OCHA) will host a virtual global launch of the Global Humanitarian Overview 2021 on Tuesday, 1 December 2020, with multiple virtual regional launches in key capitals.

The Global Humanitarian Overview is the world's most comprehensive, authoritative and evidence-based overview of the current state and future trends in humanitarian action and is published by OCHA. This event will take place as part of a global strategy to engage decisionmakers and humanitarian actors in highlighting the key themes covered in the Global Humanitarian Overview 2021; amplify the voices of affected people and encourage partners to contribute generously to humanitarian operations.
