**MYANMAR**

2020 Humanitarian Funding Update
(as of 31 December 2020)

$275.1M

All amounts are in US$.

$69.2M gap

$205.9M funded

HRP funded 75%²

UN 57%

INGO 34%

Other 1%

NNGO 7%

1. Including COVID-19 requirements of $58.8M.
2. FTS still needs to process a few contributions updated at the country level, hence the discrepancy with FTS (68%).

HRP FUNDING BY SECTOR

DONOR CONTRIBUTIONS

![DONOR CONTRIBUTIONS](image)

The COVID-19 Addendum to the 2020 Myanmar HRP has mobilized $43.4 million in contributions, covering 74 percent of its requirements at the time of reporting.

5. "Other" includes other contributions and lateral transfers from UN agency headquarters to their country offices.
6. Contributions outside the appeal support humanitarian assistance not included in the HRP, as well as support for COVID-19, including some bilateral support to the Government.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations.
