Project Prioritization - Scoring Sheet - **SAMPLE ONLY** – The scoring sheet should be completed and submitted directed in the GMS

This scoring sheet is to support Strategic Review Committees in their prioritization of projects for the SHF. In addition to the four generic criteria that apply across clusters (1-3,5), each cluster can add cluster-specific technical criteria (4). The score card parameters to consider under each standard criteria is shown below the table. The scores should be inserted in the GMS by the cluster secretariat. The SHF focal points will be available to provide guidance.
