The 1st YHF Standard Allocation (SA) was launched on 31 January with the objective of covering key gaps in the existing operation and support the immediate scale-up of activities in highly vulnerable communities. The following parameters were identified: Expanding high impact programs in districts classified as IPC 4 and above; Scaling up assistance in priority IDP hosting sites; and Scaling-up first line assistance in areas of new displacement. Almost 3.7m beneficiaries will benefit from these life-saving interventions. Overall, 61 projects amounting to almost US$83 millions will be implemented by 41 partners in 18 governorates.
