¹ Funding envelopes are only indicative and will depend on the quality of the proposals submitted by partners, the recommendations made by the MHF Review Committee, the comments provided by the MHF Advisory Board and the final decision of the HC.

² COVID-19 related actions will be mainstreamed throughout the response to the humanitarian needs, as well as other cross-cutting issues, including conflict sensitivity and social cohesion.

Minbya  
Mrauk-U  
Mye bon  
Ponnagyun  
Rathedaung  
Sittwe | $30,000 |
| **Mine Action** | Provision of mine risk awareness sessions to conflict-affected communities, including children, including ToT programme  
- Survivor assistance, including first aid, PSS, financial support to families of landmine victims, as well as referral services to prosthetic survivors.  
- Mainstreaming of MRE through capacity building with humanitarian actors and CSOs | 36,000 people (HRP 2021) | Ann  
Kyauktaw  
Minbya  
Mrauk-U  
Mye bon  
Rathedaung | $140,000 |
| **Child Protection** | Provision of quality child protection case management services  
- Provision of psychosocial support services and child-friendly spaces  
- Adolescent programming and parenting education  
- Prevention of violence, abuse, neglect and exploitation (VANE) through structured curriculum and awareness-raising  
- Strengthening community-based child protection mechanisms  
- Promoting inclusion of children with disabilities  
- Mainstreaming mine risk education  
- Mainstreamed COVID-19 education and messaging activities  
- Promoting PSEA and CRM | 7,100 people  
4,500 displaced, 1,000 resettled, and 1,600 other vulnerable crisis-affected people (HRP 2021) | Ann  
Buthidaung  
Kyauktaw  
Maungdaw  
Minbya  
Mrauk-U  
Mye bon  
Rathedaung | $140,000 |
### Protection
- GBV
  - Expand the availability of GBV services through women and girls’ centers and safe houses, by improving mobile/outreach responses, popularization of GBV hotlines and the referral pathway.
  - Provision of remote/in-person GBV case management, MHPSS services and other services.
  - Strengthen GBV mitigation and prevention strategies through community engagement interventions (especially with men and boys), promotion of women and girls’ participation and support GBV risk assessments and enhance PSEA and CRM systems at community and displacement camp level.

### Shelter / NFI / CCCM
- Improvements in displacement sites for safety and adequate protection, including fire prevention, drainage and communal kitchen areas.
- Winter support to people in displacement sites and camps
- Reconstruction and/or improvement of shelters in displacement sites and camps
- Fuel solutions for people in displacement sites and camps
